Description of main risks

Interest rate risk

Interest rate risk is the risk that the interest rates of the Group's liabilities differ significantly from the market interest rates. The interest rate risk of AS Trigon Property Development is limited to the difference between the fixed interest rates of the Group's long-term borrowings and the market interest rates. At the time of preparing these financial statements, the market interest rates were higher than the interest rates of the Group's borrowings; therefore the fair value of the loan assumed by the Group is lower than its carrying amount.

Operating environment risk

The Group is exposed to the risk of real estate prices and real estate rental prices. The Group is not exposed to the market risk arising from financial instruments, as it does not hold any securities or derivative agreements.

Fair value

The fair values of accounts payable, short-term loans and borrowings do not materially differ from their book values. The fair value of long-term loans and borrowings is presented in Note 3.

Management and Supervisory Boards and auditor

Management board of AS Trigon Property Development has one member - Aivar Kempí.

Supervisory Board of AS Trigon Property Development has three members: Ülo Adamson, Joakim Helenius and Heiti Riisberg.

Audits are carried out by PricewaterhouseCoopers AS.
